HES DATA DICTIONARY

Change to Supporting Information: New Supporting Information

The [HES Data Dictionary](#) contains detailed information on the fields from the Admitted Patient Care, Outpatient Care, Accident and Emergency, Adult Critical Care and the Patient Reported Outcome Measures (PROMs) data sets that are collected by [Hospital Episode Statistics \(HES\)](#) . These include the fields submitted directly by data providers and also fields derived and added to the data sets by the [HES Data Dictionary](#) team.

For further information on [HES Data Dictionary](#), see the [NHS Digital](#) website at: [HES data dictionary](#).
